In forwarding herewith the correspondence ending with the Sakleshpur Municipal President's No. 45 dated the 25th August 23 regarding the employment of a whole-time Sanitary Inspector for the Sakleshpur Minor Municipality, I have the honor to state that the Sakleshpur Municipal Council have not got their own Sanitary Inspector but are utilizing the services of the Taluk Board Sanitary Inspector contributing a moiety of his pay and allowances to the Taluk Board. They think that this arrangement is not working properly and the employment of a whole time Sanitary Inspector of their own is necessary in the interests of public service. They have accordingly passed a resolution to this effect at their meeting held on the 8th July last, and request sanction to the entertainment of a Sanitary Inspector on 40 / 10 per mensem. A copy of their resolution and the necessary proposition statement are enclosed herein for information. It will be seen from the proposition statement that the additional establishment now proposed by the Municipal Council involves an extra expenditure of Rs.10/- per annum. The income of the Municipality was Rs. 771-1/- on the average for the past three years as detailed in the margin under G.O. No. R. 12[illegible]-25/L.S./21-13-[illegible] dated the 24th June 1910, the entertainment of a whole time Sanitary Inspector appears necessary.
